

CITY PLAN 2030 GOALS

Established in 2011, these goals serve as the City's groundwork for everything we do.

- 
- 1 We will make appropriate infill and revitalization our highest priorities.
 - 2 We will discourage suburban sprawl.
 - 3 We will make traditional town form the standard.
 - 4 We will grow a livable transportation network.
 - 5 We will assemble an enduring green network.
 - 6 We will create opportunities for attainable housing.
